

Horizon Post-Acute Care Medical Coverage Guidelines Commercial

CareCentrix medical necessity determinations for Post-Acute Care services provided to Horizon Blue Cross Blue Shield Commercial members are made based on evidence-based criteria including MCG Care Guidelines (formerly Milliman).

We can provide guidelines to you upon request. To request a copy please contact the CareCentrix Medical Policy Team at CCXMedPolicy@carecentrix.com.

If you are a provider and want to access MCG Care Guideline details directly, please refer to: <https://www.horizonblue.com/providers/policies-procedures/policies/clinical-guidelines/mcg-health-clinical-guidelines>, and follow the directions to log into Availity Essentials.

If you are a member and want to access MCG Care Guideline details directly, please refer to: <https://www.horizonblue.com/providers/policies-procedures/policies/clinical-guidelines/mcg-health-clinical-guidelines>, and follow the directions to log into your Member Portal.
